Subject: Clarification of the Invitation to Initial Bid, ebp: 1117/22/SK

The Seller received an enquiry with the following content from a potential bidder:

„Why is there purchase price of wagons to be paid with VAT included when wagons should departure Croatia in 30 days?

The Seller's answer is as follows:

In the Invitation to submit the initial offer number 1117/22, SK dated 27.12.2022. the starting prices of each group of sales by the Seller are listed without VAT.

In the bill of costs, the bidder enters the price of the bid including VAT, if the bidder is from the Republic of Croatia.

If the bidder is within the EU, the bid price is without VAT. In that case, the contract will state: "The invoice will show the transfer of the tax liability (reverse charge) in accordance with Article 41 of the VAT Act."

If the bidder is outside the EU, the bid price is without VAT. In that case, the contract will state: "The invoice will say exempt from VAT in accordance with Article 45 of the VAT Act".

The foregoing is visible in three copies of the contract for the aforementioned options, which are published on the Seller's website in the link: <https://www.hzcargo.hr/nadmetanja.php>

The Seller received an enquiry with the following content from a potential bidder:

„Molimo potvrdite nam informacije:

1) Je li potrebno platiti uplaćivati jamčevinu kako bismo mogli sudjelovati u natjecanju? Ili je dovoljno samo licitirati, odnosno samo ponuditi svoju cijenu?

2) Prilažem Vam i obrasce dokumenata, recite nam, molimo Vas, za sudjelovanje u natječaju potrebno je ispuniti i poslati samo ove dokumente ili još neke?

Molimo vas, odgovorite nam u najkraćem mogućem roku.“

The Seller's answer is as follows:

All instructions related to the delivery of the offer in question are transparent, equal for all participants in the bidding and are publicly published on the Seller's website in the link: <https://www.hzcargo.hr/nadmetanja.php>

Sincerely,

Chief Executive Officer

Dragan Marčinko
